

Virginia Agribusiness Council Vision 2021 Virtual Celebration

Why Vision?

The goal is to create a "vision" of our current realities, next steps and a vision on how we work together to move the agribusiness industry forward. In doing so, we are celebrating our triumphs and tribulations in an unprecedented year; we want to continue necessary conversations about the role of agriculture, forestry, and agribusiness in the Commonwealth and the support needed to make sure we can protect the essential supply chain. Since we are unable to meet in person this year, we are bringing our celebration to you and creating a virtual 'day on the Hill.'

What is Vision?

Complete with:

- The reveal of our "Friend of Agribusiness" award
- A toast to agriculture and the hardworking individuals who have kept our supply chain moving
- Virginia's Finest goodies shipped right to your door
- Breakout rooms with elected officials
- VIP room options to talk about your priority issues with key decision makers

With session looking a little different this year, we're making sure you have access to the right policy makers and legislators with your issues and the opportunity to tell your story. We're excited to bring the legislators to you in this premier virtual evening in the comfort of your hometown.

Celebrate Virginia's #1 and #3 Largest Private Industries

Agriculture and Forestry are essential to Virginia. We want to celebrate and showcase all Virginia has to offer. *Participants can elect to receive their own Virginia's Finest Swag Box complete with goodies made in our state, proudly displaying the Virginia's Finest logo. Participants will also receive their very own "Virginia Ag Passport" so they can 'stamp' off some of Virginia's premier farm and forestry spots, agribusinesses, and agritourism operations throughout the year.

We look forward to making this a wonderful night of agriculture and cannot wait to see you next year at our 50th Annual Legislative Banquet in January 2022.
